At Mabel Prichard School students learn in one of our three pathway groups of either pre-formal, informal or semi-formal learners, although some class groups are a mixture of two as this makes the best dynamic for the students.

The school uses the Equals curriculum as a base for learning and adapts aspects of this as necessary for each cohort of learners we have. Details of this can be found on the school's website. This curriculum, which is underpinned by detailed assessment processes, guides the learning for all students. The school has excellent links with community partners and its strong focus on pathways to adulthood supports students onto further education and into employment.

The committed team at Mabel Prichard School includes class teachers, teaching assistants, lunchtime supervisors, care assistants, school business manager and admin team, caretaker and cleaning team and safeguarding leads.

The school recognises its success is based on successful partnerships. Most importantly, the school works closely with parents and understands that they know their child best.
