Lead Learning Mentor – KS2/3

**Candidate Information Pack
July 2023**

Welcome

Thank you for your interest in becoming a **Lead Learning Mentor** at the Gallery Trust.

The Gallery Trust has grown from a single special academy in 2013 to the largest special MAT in Oxfordshire with six schools across the county. The Trust is continuing to grow, with two free special schools in the pre-opening stage.

The successful candidate will be able to demonstrate delivery of pastoral and academic support to pupils that champions trauma informed practice and a flexible, student-centred approach that supports the emotional and mental wellbeing of students and their individual needs whilst supporting academic progress.

The Lead Learning Mentor will be based at Orion Academy in the first supporting a small cohort of Year 6 children and early KS3.

Orion Academy provides education for secondary aged students with a range of Special Educational Needs and Disabilities, including Autistic Spectrum Disorder, Social, Emotional and Mental Health Needs, and Cognition and Learning Needs, on its site on the outskirts of Oxford. The Academy moved into new, state of the art buildings in September 2021. The new facilities offer a wide range of exciting curriculum and vocational opportunities to learners, and a fantastic working environment.

All students who attend Orion Academy have an Education, Health and Care Plan, which describes their special needs and drives their educational provision. Orion Academy currently offers places to 100 students, and the roll of the school will rise steadily over the next three years to cater for 108 students, aged from 10 to 18 years. Students attend from throughout the county, and transfer from our SEND feeder school, Northern House Academy, and from mainstream primary and secondary schools.

Students are taught through a differentiated and bespoke curriculum designed to enhance academic and social development, with a strong emphasis on independence skills. Classes are grouped into stage, not age, allowing innovative and creative approaches to teaching and learning, and are taught predominantly by a class teacher, supported by additional class adults. The Academy provides support for the social and emotional needs of students through a qualified and skilled therapeutic team, underpinned by a Trust pastoral support term. The offer to students is enhanced by additional specialist therapies and interventions, which include Digby, our lovable therapy dog!
