### **Our Strategic Aims**

- **Places where innovation drives learning** – our schools have a clear purpose, they educate the whole child and prepare them for adulthood. Everything we do, from our curriculum offer to our pastoral care, is meaningful and driven by the needs of learners.
- **Places where relationships drive engagement and achievement** – our schools are built around exceptional relationships. We provide excellent experiences, growth, and opportunities for pupils and staff, and specialist working environments and resources.

As we enter the next phase of our development and build on our many successes, we want to embrace future challenges and opportunities. The Trust is on a continuing journey of expansion, growing from a Multi Academy Trust based on a single academy in 2013, to its position as the largest Special Trust in Oxfordshire. There are currently six special academies in the Trust located throughout Oxfordshire, with an additional academy opening in January 2024, and a further academy scheduled to open in 2026. The Trust's vision is to continue to expand over the next five years, supporting a community of converter academies, free schools and sponsored academies, and providing outreach and other opportunities. All academies collaborate to share SEND expertise and best practice, and work in partnership with peers who are committed to common aims and goals.

The Board of Trustees believes that by providing the support of highly experienced and specialised school improvement and business teams, school leaders are empowered to focus on the standards of teaching and learning, and in meeting the operational and strategic demands of running their schools.

At Mabel Prichard School students learn in one of our three pathway groups of either pre-formal, informal or semi-formal learners, although some class groups are a mixture of two as this makes the best dynamic for the students.

The school uses the Equals curriculum as a base for learning and adapts aspects of this as necessary for each cohort of learners we have. Details of this can be found on the school's website. This curriculum, which is underpinned by detailed assessment processes, guides the learning for all students. The school has excellent links with community partners and its strong focus on pathways to adulthood supports students onto further education and into employment.

The committed team at Mabel Prichard School includes class teachers, teaching assistants, lunchtime supervisors, care assistants, school business manager and admin team, caretaker and cleaning team and safeguarding leads.

The school recognises its success is based on successful partnerships. Most importantly, the school works closely with parents and understands that they know their child best. The wider multi-professional team at Mabel Prichard includes a Special School Nurse, Speech and Language Therapist, Occupational Therapist and Physiotherapist.
