

## Message from the Headteacher

### 6th September 2024

Dear Parents and Carers

Welcome back. I hope you had a really good summer. It has been wonderful to welcome the students back and to see how most of them have settled back in as if we never had a break.

Can I also welcome the new students and families who have joined us and we look forward to you getting to know you over the coming weeks.

We have a few dates coming up that I would like to draw your attention to. Firstly, you will be aware of our phonics programme, *Little Wandle*, which we introduced with great success last year. We are holding a parents/carers session on September 10th in the primary hall between 5 and 6pm and will also make sure there will be on line access for those of you who cannot make it in person. The following week, on September 17th, we are holding one to show you the Maths for Life programme we use and this will follow the same format, in the primary hall between 5 and 6. This is for both primary and secondary learners, so please do come along to find out more about what we teach and how you can support your son or daughter at home.

I have also attached a link to our key dates throughout the year, so you are able to plan ahead. Please do let us know if there is anything you would like to get involved with.

We have a number of large fundrasing initiatives this year to improve our learning environment and this includes a library on our secondary site. If you have any great ideas, or have contacts with grants or funding streams, please do let us know.

Finally, I would like to thank you for your support in what has been a smooth start to this academic year and I very much look forward to working with you all and your sons and daughters over the coming year.

Best wishes

Lucy

### Coming up:

Tuesday  
September 10th

Little Wandle phonic  
training for  
parents/carers  
primary site 5 to 6pm

Teusday 17th  
September  
Maths for Life  
training for  
Parents/carers  
primary site 5-6pm

Please see the  
link for:

Parent/Carer Key  
Dates

# News from the Classrooms

## Rainbow Class

Welcome back everybody - we hope you had a lovely summer holiday and that everyone has settled back into school well. It has been great to see so many happy new faces across the school.

Rainbow class have had a wonderful first few days of term. We have really enjoyed welcoming a new learner to the class and have enjoyed revisiting some of our favourite lessons, ready to introduce new ones next week. Some of our highlights from this week have included the sensory room, a trip to the cafe and getting messy with shaving foam in 'Let's Connect'.

We are excited to see what the new school year has to bring for the class everyone across the school.

## Silver Class

We have had such a lovely start to the year in silver class this week. We have enjoyed lots of music, play and Maths and have done lots of drumming and singing during our good morning song and phonics and have been exploring instruments with confidence. Such a lovely start to the term and we look forward to the rest of the year.
