Mabel Prichard Teaching Assistant

We are looking for a dedicated and committed teacher to join our strong and welcoming team at Mabel Prichard School. You will join us on our next stage of our journey to improve outcomes for some of the most vulnerable young people of Oxfordshire. We are looking for a passionate, high-quality Teaching Assistant to work with our wonderful students with severe learning difficulties and profound and multiple learning difficulties.

We are a community special school for children and young people with complex needs from the ages of 2 to 19.

At Mabel Prichard School, we believe in enabling every student to discover who they are and to realise their full potential. Our curriculum offers a broad range of opportunities to face challenges; develop independence; prepare for adulthood; discover the world around them; be safe and develop the skills and knowledge to lead a happy, positive and fulfilled life. Students learn in one of our three pathway groups of either pre-formal, informal or semi-formal learners, although some class groups are a mixture of two as this makes the best dynamic for the students.

Through our strong caring ethos, we support students to respect their whole community, regardless of background, race, gender, faith and disability and to celebrate diversity, so they are able to develop skills of empathy and tolerance in their life ahead. We believe education plays a pivotal role in developing as individuals, alongside the vital input from families and other professionals whom we enjoy working closely with. The purpose of the school is to create opportunities through education for each student to value themselves and each other; develop confidence; communicate their thoughts and ideas and to enjoy discovering their strengths to take forward in their life ahead.

The school uses the Equals curriculum as a base for learning and adapts aspects of this as necessary for each cohort of learners we have. Details of this can be found on the school's website. This curriculum, which is underpinned by detailed assessment processes, guides the learning for all students. The school has excellent links with community partners and its strong focus on pathways to adulthood supports students onto further education and into employment.

Mabel Prichard School is a member of The Gallery Trust, an expanding Special Needs Multi Academy Trust which is dedicated to improving outcomes for SEND learners in Oxfordshire. The Trust has a national reputation for excellence and is influential in the development of SEND strategy in the county. With six academies currently in the Trust, our aim is to build a community of eight to ten special schools over the next five years.

If you would like to visit the school to find out more about this exceptional opportunity before you submit your application, you will be most welcome. Our staff and students will be delighted to meet you.

Thank you again for your interest and we look forward to hearing from you.
