1. Aims

At Springfield School we are committed to meeting our obligation, including those obligations laid out in [Working together to improve school attendance - GOV.UK](#) with regards to school attendance through our whole-school culture and ethos that values good attendance including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the support in place to attend school
- Making reasonable adjustments based on the individual needs of our students

We will also promote and support punctuality in attending lessons.

Springfield school expects good attendance from its students, in order for them to make the most of the opportunities that the school has to offer. We rely on our partnership with parents to ensure that this is achieved. We consider good attendance to be 90% or more at this school.

2. Equality statement

We understand our obligations under the Equality Act 2010 and the UN Convention on the Rights of the Child. We understand the individual needs of our pupils, and we always take these into consideration when working with our pupils and families.

3. Reasonable adjustments

Special Educational Needs (SEN) Support - Reasonable Adjustments

Reasonable adjustments are the changes that are made to a child's school life, so that they're not at a disadvantage compared to others. The term reasonable adjustment is often used in a general way to apply to all children with SEND.

We recognise our responsibility under the Equality Act to consider and make reasonable adjustments for all our pupils.

4. Roles and responsibilities

Where this policy refers to parent/carers, it refers to the adult the school and/or local authority decides is appropriate to work with, including:

- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents/Carers are expected to:

- Make sure their child every expected, timetabled session on time
- Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Engage and work to any attendance contracts that you make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the school attendance lead or school office.

4.8 Pupils

Pupils are expected to:

- Attend school every day on time
- If appropriate attend any alternative provisions on time

5. Recording attendance

5.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes (see appendix 2) [Working together to improve school attendance - August 2024 - GOV.UK](#) Chapter 8 page whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See [Appendix 2: DFE attendance and absence codes](#)

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at;

- Wood Green site: 8:30am and ends at 3pm
- Bronze Barrow site: 8:45am and ends at 3:15pm

Registers close 35 mins after the morning and afternoon sessions begin

5.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible by calling the school admin/office staff who can be contacted on 01993 862976

office.7012@springfield.oxon.sch.uk

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

5.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Parents need to ask for a form from the office, and return to the office email address where their request will be considered

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section to find out which term-time absences the school can authorise.

5.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Punctuality issues which arise from SEN Home to School transport will be considered and noted on our attendance recording system.

5.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may carry out a home visit, contact the student's social worker (if open to social care), make a MASH referral contact police]
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues the school will consider involving the OCC attendance officer [County Attendance Team | Oxfordshire Schools](#)
- Consider a home visit by school staff (this will take place if there are 3 continuous days of unexplained absence)
- Where relevant, report the unexplained absence to the pupils youth offending team officer
- Where appropriate, offer support to the pupils and/or their parents to improve attendance
- Identify whether the pupils needs support from wider patterns and make the necessary referrals, e.g [Multi-Agency Safeguarding Hub \(MASH\) | Oxfordshire County Council](#)

See appendix 3 for full details of our daily response to unexplained absence

5.6 Reporting to Parent/Carers

We provide attendance information for annual reviews, through parents evenings, through direct contact with parents where their attendance concerns

6. Authorised and unauthorised absence

6.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational

activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

Exceptional circumstances are events which are unavoidable, examples may include the death of a close relative, attendance at a funeral, respite care of a looked after child, a housing crisis which prevents attendance. Exceptional circumstances will be considered on an individual pupil and family basis.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the;

- specific facts,
- circumstances
- relevant background context behind the request
- pupils attendance data

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the office . The headteacher may require evidence to support any request for leave of absence.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s)/carers travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not

classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

6.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

A) Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent/carer who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/carer who allowed the absence.

A penalty notice may also be issued where parents/carers allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

Please visit [Attendance | Oxfordshire County Council](#) for more information.

B) Notices to improve

If the national threshold has been met and support is appropriate, but parents/carers do not engage with offers of support, the school may offer a notice to improve to give parents/carers a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

7. Strategies for promoting attendance

Due to the complex needs of our students, we consider each individual student's circumstances, and work closely with the parents/carers and other agencies to promote attendance.

8. Supporting pupils who are absent or returning to school

8.1 Pupils absent due to complex barriers to attendance

In working with our parents/carers to improve attendance, we will be mindful of the barriers our pupils may face and put additional support in place where necessary to help them access their full-time education. This will include:

- Having sensitive conversations and developing good support for students with physical or mental health conditions.
- Making reasonable adjustments for the individual pupil
- Considering whether additional support from external partners/carers (including the local authority or health services) would be appropriate
- Making referrals in a timely manner and working together with those services to deliver any subsequent support.
- Ensuring joined up pastoral care is in place where needed
- Considering whether a time-limited phased return to school would be appropriate, for example for those affected by anxiety about school attendance, recognising that such arrangements can be for a limited time only

A reintegration timetable can be used in exceptional circumstances where a reduction in education may be viewed as in the interests of the child and on a fixed-term basis only. This reintegration timetable should be agreed with parents, EHC Casework Officer and submitted to the County Attendance Team at OCC [Reintegration timetables | Oxfordshire Schools](#)

8.2 Pupils absent due to mental or physical health

All or our pupils have recognised SEND and have Education, Health Care Plans (EHCP), however our school recognises that some pupils will still face greater barriers to attendance than their peers. These can include pupils who suffer from long-term medical conditions or have high levels of anxiety . Their right to an education is the same as any other student and therefore the attendance ambition is the same for all our students.

We will liaise closely with the OCC Attendance Team and the OCC EHC Casework Team around our pupils' attendance and will alert them when we have concerns.

See our policy on supporting students with medical conditions

8.3 Pupils returning to school after a lengthy or unavoidable period of absence

We will work with our pupils and parents to put a plan in place to reintegrate a pupil back into school after a long period of absence. A reintegration timetable will be considered to support the pupil back in to school in line with 8.1 and 8.2, this will only be a short time measure to support the pupil

9. Attendance monitoring

Attendance is monitored and followed up on a daily basis. Percentage figures are monitored on a weekly basis. Lindsay McClimont is responsible for this monitoring.

Teachers will note both authorised and unauthorised absences in the registers and this is followed up by our daily calls, and procedures listed above

Attendance is tracked by the school attendance lead, all information is recorded on CPOMS, and any patterns are identified. Any concerns regarding students attendance is followed up with the families and the OCC attendance team.

We also provide regularly data to our Gallery Trust Designated Safeguarding manager and Trustees

9.1 Monitoring attendance

At our school we will:

- Monitor attendance and absence data (including punctuality);
 - Weekly,
 - Half-termly
 - termly and
 - yearly

across the school and at an individual pupil, year group and cohort level

- Identify whether or not there are individual pupils or particular groups of pupils whose absences may be a cause for concern
- Work to identify absence patterns
- Share specific information with the DFE

- Provide data each term that will be published at national and local authority level through the DFE’s school absence national statistics releases
 - Benchmark our attendance data at;
 - Whole school
 - Year group and
 - Cohort level
- Against local, regional and national levels to identify areas of focus for improvement, and share this with our LAB/RIB and Trustees

9.2 Analysing attendance

Our school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance and use this analysis to provide targeted support to these pupils and their families
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

9.3 Using data to improve attendance

Our school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium lead
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil’s absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

9.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents/carers of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
- Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary, see [6.2 Sanctions](#)

10. Pupil missing from education

Any pupil who is absent without an explanation after 5 consecutive school days and the school is unable to make contact with the family must be referred to the MASH and the police. If the pupil cannot be located we will contact the pupil missing education officer at Oxfordshire County Council

<https://schools.oxfordshire.gov.uk/access-learning/children-missing-education>

11. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by The Designated Safeguarding Manager for The Gallery Trust and the Head Teacher for our school. At every review, the policy will be approved by the Trustees.

12. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy

- Behaviour policy.

Appendix 1:

Response to unexplained absence.

<p>First Day Response</p> <p>If a student is absent from school and we have not been informed, either by telephone or letter, a phone call home will be made to establish the reasons for the absence. This will happen on the first day of your child's absence from school.</p> <p>Please note that for students not living in the close vicinity of our school, if they have a medical/ dental appointment, we do not expect them to take a full day off school.</p> <p>If the parent cannot be contacted, the school will call other emergency contacts that have been provided to the school to try and establish the safety and whereabouts of the pupil.</p> <p>A home visit may take place if there are concerns about the wellbeing of the pupil</p> <p>All phone calls are made with the utmost consideration of the needs and feelings of the recipient and politeness is a primary factor.</p> <p>A follow up email or letter will be sent requesting an explanation for the absence.</p>
<p>Third Day Response</p> <p>For safeguarding reasons we will make a home visit (this may have already been carried out previously). However if we are unable to get a response then we will report it to the police as your child will then be classed a 'missing child'.</p>
<p>Ongoing considerations</p> <p>On each day that a student is absent we will consider any additional vulnerabilities or concerns that we may have around the individual and make an assessment of risk. This may mean that actions are taken sooner for example contact with police or social care on day one of absence where no explanation is provided</p>
