

Dear Parent and Carers

As part of the government's decision to close all schools from 23 March 2020 to help limit the spread of COVID-19 it was agreed that during the enforced period of closure children who receive Free School Meals (FSM) would still be able to access support.

We have been working towards providing support for these children. Parents and Carers of children in receipt of FSM will receive Tesco e-vouchers to the value of £25.00 for each 10 days (2 schools weeks) their child is not in school. The vouchers will be sent every fortnight.

We are hoping to receive these vouchers into schools later today (Friday 27 March 2020) and will send out to eligible parents as quickly as possible. If you do not have an email address please let your school know as soon as possible by ringing Kate Bartlett on 07934 731190 (if the phone is off please leave a voicemail clearly stating your child's name). Vouchers will be printed and posted to parents without access to email.

If you believe that your child may be entitled to FSM and are not in receipt of them currently please do contact your school directly in the first instance.

I would like to thank you all for your patience while we have been putting appropriate arrangements in place.

Your sincerely

Charlotte Roberts
Head Teacher
