School Uniform Policy

At Iffley Academy we believe that all students up to and including, year 11, should wear school uniform when attending school, and usually when participating in a school-organised event outside normal school hours.

On occasion when students are encouraged to wear non-school uniform, e.g. on fundraising or star treat days, parents/carers will be informed in advance by letter or email.

Students attending the 6th form are not required to wear school uniform but an appropriate standard of dress is still required.

Aims

Our school uniform policy is based on the belief that school uniform:

- promotes a sense of pride in the school
- engenders a sense of community and belonging towards the school
- is practical and smart
- identifies the pupils with the school
- supports inclusivity and allows students to feel equal to their peers
- is regarded as suitable wear for school
- is designed with health and safety in mind

Jewellery

For health and safety reasons we ask students not to wear jewellery in school. The exceptions to this rule are students with pierced ears who should only wear studs, small watches or activity monitors and small objects of religious significance.

Students will be expected to remove some of these objects during PE and games to prevent them from causing injury.

Footwear

For health and safety reasons, students are also required to wear sensible footwear, preferably in black. Shoes with high heels or open toed sandals are not appropriate for school wear and can lead to injuries.

There may be occasions where specialist footwear is required e.g. in the construction room. This will be provided by the academy.

Students may be asked to bring in waterproof shoes or wellingtons when engaged in some off-site activities e.g. Hill End or City Farm. This will be communicated to parents and carers in advance of the activity.

PE

Students are required to change their clothing for PE and wear a T-shirt or sweatshirt and jogging bottoms or shorts. Plimsolls or trainers are acceptable footwear. All students need to ensure that their PE kit is in school.

The role of parents/carers

We request that all parents/carers ensure that their child has the correct uniform and that it is clean and in good repair. There may be occasions when a staff member may contact parents/carers to discuss their child's uniform.

We are a diverse school community and welcome students from all backgrounds and faith communities. Any requests from parents/carers for their child to wear clothes that are different from the school uniform, will be discussed on an individual basis.

The role of governors

The Governing Body monitors and reviews the school uniform policy through the Teaching and Learning Committee. It is the governors' responsibility to ensure that the school uniform meets all regulations concerning equal opportunities. Governors ensure that the school uniform policy helps children to dress sensibly, in clothing that is hardwearing, safe and practical.
