On Thursday 27th January we will be running our fourth parent & carer programme session which is Sound Reading. Independence Questionnaire for all students

At the Iffley Academy we know how important independence is to our students. Michelle Whitehead our 6th Form Gallery Lead would like to find out a bit more about your child's specific circumstances around independence and what we can do as a school in all year groups to support our families. Please could you take a moment to complete this [Questionnaire](#). Your responses will better inform us on how we can tailor our program for the needs of our students.

Home Learning

Home learning is available for all classes and can be accessed through Google Classroom which is available through the students' school email accounts. If you need help with accessing log-ins then please contact the school office who will be able to help you. Please [click here](#) for a guide outlining how to access home learning on Google Classroom.
