Absence Reporting

We have had fantastic attendance so far this academic year.

We just wanted to remind you what to do if your child is absent from school.

Please ensure that you contact school reception before 9.00am on each day of the absence. If we have not had any contact from you before 9.00am our admin team will try to make contact with you to obtain a reason for absence. We will try to make contact with the first contact on your child's record and then work our way through the contacts we have on file.

Thank you for your continued support with school attendance.

Please contact reception if you require any further information.
