## Visitors from South Korea - Restorative Approach

On Wednesday 11th October education leaders from South Korea visited Iffley Academy. This visit was to find out more about the school's Restorative Approach. Due to the work Iffley Academy has done with the Restorative Justice Council and Belinda Hopkins (Transforming Conflict) our visitors knew all about Iffley and our restorative approach. Whilst at Iffley they learnt about our Mend it Meetings, 'check ins' and work we complete with students to support emotional regulation. The visitors were finding out how they can develop a restorative culture across all their schools. They were particularly impressed with Kahlo class who learnt how to say 'hello' in Korean.

## Flu Vaccinations

We have had confirmation that Oxford Health will be visiting Iffley Academy on Wednesday 6th December to offer flu vaccinations. The flu vaccinations will be offered to years 7-11. We will be sending out further information in due course regarding these vaccinations and giving consent if you wish for your child to receive this. Please contact reception if you require any further information.
