## Termly Outcome Plan Evening

It was nice to see so many of our families at are our parents' evening on Tuesday this week. We hope that all parents and carers have had the chance to discuss their child's Termly Outcome Plans with teachers whether this was in person or on the phone. Our next parents evening will take place on Tuesday 16th April, more information will follow nearer the time.

## Vision & Values

As a school we are updating our vision and values. This is both to reflect and ensure our vision and values align with our ambitions for all the students and to be attuned to developments in technology and the world of work. It is important that this is collaborative. As well as consulting students, it is really important to gain the perspective of parents and carers.

If you would be interested in sharing your thoughts about how the vision and values could be developed, can you please contact reception to express your interest. I would be looking to arrange one meeting (roughly 50-60 minutes between 9am and 6pm) in which you could share ideas. The specific times and dates would depend on parent/carers availability but I would aim to also offer a virtual opportunity, to ensure parents/carers who lived further away or who preferred this approach could use this forum.

Please contact reception if you require any further information.

## Place2Be

Place2Be offer parenting advice from child mental health experts. They offer practical tips to support children's wellbeing and behaviour. Please [click here](#) for further information.

## Duke of Edinburgh Trip - 25.01.24

On Thursday our Duke of Edinburgh students attended a practise expedition to The Ridgeway. The group completed a circular walk along the Ridgeway, they covered 8 miles. They have been developing their fitness and resilience on weekly walks. This walk was in preparation for the real expedition later on in the year.

## Banksy Class

The recent cold, wet and windy weather hasn't stopped the students from Banksy class from getting out and about in the local community.

Weekly shopping trips in the local area to buy their cooking ingredients are a highlight of the students' week whilst providing a great opportunity to further develop their life skills.

It is always nice to visit Greggs to buy a little treat before walking back to school.

## 6th form Enterprise Sale - 07.02.24

Sixth Form have been busy preparing valentine's treats to sell during break time on Wednesday 7th February. For these treats we suggest a donation of £1 for sweet cones, 20p-50p for biscuits and cakes. This is part of their Sixth Form enterprise project. All money raised goes towards funding their summer term school trip. In previous years they have raised enough money to completely fund the trip themselves. The treats have been prepared under health and safety guidelines with all students washing hands & wearing gloves to prepare bags.

Please contact reception if you require any further information.
