Iffley Academy Deputy Head

We are delighted to welcome Chris Slatter, our new Deputy Head to the Iffley Academy. Chris is a very experienced SEND practitioner and Senior Leader and we are looking forward to having him on our team.

Lowry Class

This term in music, Lowry Class are learning to play the recorder! This week we had our first lesson where we learned a bit about the history of recorders. We discovered that they belong to the woodwind family of instruments and have three parts to them! We learned how to hold the recorder correctly (in our left hands) and where to place our thumb. We then practised playing chord 'B' this week and learned two different songs; 'Bouncing Ball' and 'Red Boat, Blue Boat'. They all picked it up so quickly and played perfectly in time with each other! We are looking forward to learning new chords and songs over the next few weeks!

Sobell House Hospice - Fundraiser

Over the next few weeks Lowry Class are hoping to raise some money for Sobell House, a charity dedicated to providing specialist palliative care and support to adult patients and their family, friends and carers. This charity is very close to Iffley's heart and we are hoping, as a school, to raise as much money for them as possible.

Lowry Class have chosen to do a 'Guess the Name of the Cow' fundraiser. It is 50p a guess and the person who picks the chosen name will win this lovely cuddly cow and a jar of sweets! Mrs Phillips has secretly selected the cow's name, which has been sealed in an envelope until all names have been filled. She has also picked a 'middle name' for the cow and the person who chooses that name will receive a lovely box of chocolates. If your child would like to have a guess please send in 50p (or more if they wish to have multiple guesses), and we will show them the list of names for them to choose from. Please could all money be in no later than Friday 3rd May. Thank you for your support in raising funds for this worthwhile charity.

Parents/Carers of Year 9 Students only

5th dose of Tetanus, diphtheria and inactivated Polio (Td/IPV Teenage 3 in 1 booster) and Meningococcal ACWY (Men ACWY)
