Family Fun Day - Saturday 11th May 2024

We are looking forward to seeing you at our family fun day tomorrow. Please find some further information below in preparation for the event:

- There will be limited parking available at school so please travel via public transport if possible.
- Please be considerate of our neighbours when arriving and leaving and please do not block access if parking in the surrounding area.
- Dogs, smoking and vaping are not permitted on school site.
- Children must be supervised by a parent/carer throughout the fun day.
- Please be aware that photos will be taken during the event.
- The weather is looking really nice for Saturday so please bring along a picnic blanket.
- Last year's event was extremely popular, to avoid disappointment we advise arriving at the beginning of the event.

Unfortunately this is going to be the last year that Belazu funds this event. Belazu has kindly supported this fun day for the last 10 years, however they feel it is now time to support a local school as they are based in London. Transporting their staff and equipment to Oxford adds an additional logistical and financial implication for them. Although incredibly sad for us, we can understand this rationale and hope their local school benefits from this opportunity.

We know how much our students and families enjoy this event so we are now on the lookout for a new sponsor. If you know anyone who would be interested in supporting this event please contact reception.

Aardman Class

Aardman class have been having a brilliant time this term. We have ventured into our new topic, learning about WW1. The class really enjoyed engaging in learning about the trenches by making the classroom itself into a trench to explore facts and play communication games in! Students are getting to grips with the information and tragedy of the historical event and showing great empathy. This has particularly been evident when working on the story 'War Horse'.

Furthermore, Aardman class hosted a brilliant celebration exhibition of their Arts Award project 'Multaka', which was in collaboration with the GLAM (galleries, Libraries, Arboretums and Museums of Oxford University). The class invited chosen members of staff and their friends across the school to showcase the fabulous art work they created last term, which was based on learning about and engaging in art from Ukraine, Sri Lanka and Iran. Each student did an incredible job explaining their project portfolios to their chosen guest. I think everyone who attended the event was really blown away with the outstanding art and communication of the class.
