Ofsted Report

We wrote to parents and carers on Wednesday to share the results of our Ofsted report which took place in July. We are very proud to tell you inspectors found our school continues to be outstanding. This is a fantastic outcome and I would like to thank everyone for helping us maintain the highest rating.

We would encourage you to read the full report which has been placed on the school website. The link to this report is below.

We have had an excellent start to the new academic year and the pupils are settling well into their new classes.

We have a busy and exciting term ahead with lots of opportunities for our pupils to extend their learning.

Circus Starr Tickets

We have been kindly given some free tickets for Circus Starr. Circus Starr is a circus with a purpose and is accessible and inclusive and fun. We have been given some tickets for Tuesday 1st October at 4.45pm and 7.00pm. This circus is being held at the Christian Life Centre, 300 Cowley Road, Oxford, OX4 2AF. If you would like some tickets please contact the school reception on 01865 747606 and we will arrange for these tickets to be sent home with your child.

Tickets will be allocated on a first come first served basis.

Parent/Carer Governor

We are looking to recruit a parent/carers governor to our Local Governing Board (LGB). We meet 5 times a year and you could join the meeting virtually or in person. The meetings take place at 4pm and finish by 6pm. Having representation from community members, school staff and parents/carers is vital in ensuring that we continue to be challenged and develop. If you would like to know more about this role, please let reception know on 01865 747606. We can then arrange a suitable time in which you could find out further information and ask any questions.

Vacancies at Iffley Academy

Iffley Academy are currently looking to recruit teaching assistants and other roles. If you know anyone who shares our passion for making a real difference to the lives of children and young people with special needs, this could be the opportunity they are looking for. In return for their contribution to our team, they will work in an environment which is innovative and well resourced, and in a role which is rewarding and fulfilling. We will provide them with induction and training.

This is an exciting time to join our team, if you know someone who would be interested in this role they can find out more information on our school website:
