## Careers Interviews

This term is the start of career guidance interviews for Year 10 and Year 12 pupils.

These meetings take place between each pupil and a careers advisor, and is an independent opportunity for our students to share their thoughts and ideas about the future.

The outcome of these meetings will form a report, which will be shared through this year's annual review meetings.

## 6th Form Tuck Shop

Thank you to everyone who has supported the 6th form Tuck Shop so far. The Tuck Shop will be open weekly on a Thursday during break time, this will be open to students and staff.

Snacks and fresh fruit will be available and prices will vary from 40p - £1.00. We are only able to accept cash payments. There will be options available to cater for allergies.

Please contact reception if you require any further information.

## Visitors from South East Asia

This week, we were delighted to host delegates from South East Asia, who visited schools in the Trust. This was organised and overseen by the Department for Education. Delegates were exploring how we use technology to support learning and the impact of this. It was fantastic for them to see how classes are using 'Lesson Up' software to further engage students in learning, to gain immediate student feedback and to promote independence.
