World Book Day - Thursday 6th March 2025

On Thursday, we celebrated World Book day. It was great to see all of the amazing costumes from both students and staff. Students enjoyed a World Book Day assembly which included guessing the masked reader. Prizes were given for the best fancy dress costumes.

Red Nose Day - Friday 21st March 2025

On Friday 21st March, we will be celebrating 40 years of 'Red Nose Day'. To raise money for Comic Relief we are asking for a £1.00 donation and in return your child may come into school in non-uniform on this day. Please ensure this is school appropriate.

Our school council have decided that this year we will be holding our second Iffley Bake Off. Students are invited to bake either a cake, cupcake or biscuit inspired by this event.

On Friday 21st March, students can bring their creation into school where they will be judged by our inhouse judges. After they have been judged, we will be selling the creations at a bake sale at break time to raise further money for this charity. There will be prizes for the top three bakes.

If you would like to enter, please complete this form: [Iffley Bake Off Form](#)

**Although we are not a nut free school, we do have some students with a nut allergy, therefore we are politely asking our parents and carers to be mindful when choosing their ingredients.*

Please contact reception if you require any further information.

Monet Class

Monet class have been working really hard this week on developing their communication skills through teamwork challenges. We really enjoyed the Cup Tower Challenge! This is how you do it - it may be something you want to try at home! This is a great activity for practising speaking and listening skills, developing team work and patience and learning how to problem solve, all of which are essential skills for independent living at home, at school and in the wider world!

1. Set up the cups in a stack or in a line.
2. Tie the three pieces of string to the elastic band so that each player can hold one string.
3. The goal is to move and stack the cups into a tower, but you can only use the string and elastic band—no hands touching the cups!
4. Work as a team to stretch and loosen the elastic band around each cup to pick it up and place it in the right spot.
5. Keep going until you build a tower

Annual Review of your child's EHCP

All invitations for annual reviews have now been sent to parents/carers. If you have not received your invite please contact reception.

Please click on the link below to complete the brief google form to confirm whether or not you will be attending the meeting, before Monday 31st March 2025.
