

Weekly Information Bulletin

Friday 4th April 2025

A reminder that we will be finishing at the earlier time of 1.00pm today.
We look forward to welcoming students back to school on Tuesday 22nd April after the half term holidays.

Aardman Class Explore the Changing Seasons at Harcourt Arboretum

Aardman Class has been taking part in an exciting project with Harcourt Arboretum, exploring how the changing seasons affect nature. So far, they have attended two sessions, each time walking the same route through the stunning grounds to observe and document the transformation of the trees and plants. Armed with iPads, students used their cameras to capture the subtle yet beautiful changes in nature—from the bare branches of winter to the first signs of spring, with flowers beginning to bloom and colour slowly returning. The experience has been a fantastic way for them to connect with nature, develop their observational skills, and enjoy the outdoors. They can't wait for their next visit to see what new changes the season will bring!

Termly Outcome Plan Evening - 29.04.25

On Tuesday 29th April we will be holding our Termly Outcome Plan evening for parents and carers here at Iffley Academy.

Bookings will go live on ParentMail on Tuesday 15th April at 9.00am. We use an appointment booking system on our ParentMail application to book time slots for our Termly Outcome Plan evening.

Family Fun Day - Saturday 28th June

On Saturday 28th June, we will be holding our annual Family Fun Day for Iffley students and their immediate families.

Students recently bought a letter home regarding this day with a form to complete and return if you are planning to attend.

Once we have final numbers, students will be issued with tickets for this event. Please contact reception if you have any questions.

Weekly Information Bulletin

Friday 4th April 2025

Saturday 28th June 2025	Family Fun Day - 11.00am - 2.00pm
Friday 18th July 2025	End of Term Three

Dali Class - Star treat day

On Thursday, 27th March, Dali students & staff had an amazing time visiting Legoland Windsor. The trip was a fun way to celebrate all the hard work the students have put in this term, particularly around their studies on LEGO and creativity. The students got to see how LEGO has grown from its humble beginnings in Denmark to becoming a global brand. They explored LEGO's history through exciting sculptures and exhibits that showed off the brand's creativity and how it continues to inspire people around the world. It was the perfect mix of learning & fun, offering the students a well-deserved break after all their effort this term. It was a memorable day full of laughter & learning.
