Warhol Class

The students from Warhol class have been really enjoying working on Romeo and Juliet this term.

They have designed warning posters and invitations as well as making masks to enact the masked ball where Romeo and Juliet met.

As part of their work on superheroes (this term's theme), they have looked at inspirational people like Nelson Mandela and Billy Monger.

Family Fun Day - Saturday 28th June 2025

Our Family Fun Day is fast approaching and will take place on Saturday 28th June from 11.00 - 2.00. Tickets have been sent home with students. If you have not received your tickets please contact reception.

Please find some further information below in preparation for the event:

- There has been a recent change in parking restrictions in Iffley and some roads that surround the school are now double yellow lines. There will be limited parking available at school so please travel via public transport if possible.
- Please be considerate of our neighbours when arriving and leaving and please do not block access if parking in the surrounding area.
- Dogs and smoking are not permitted on school site.
- Children must be supervised by a parent/carer throughout the fun day.
- Please be aware that photos will be taken during the event.
- Last year's event was extremely popular, to avoid disappointment we advise arriving at the beginning of the event.
- In order for us to secure the funding for this event we are required to send some student information so we are able to secure this funding. This will include student names and date of births. Please contact reception if you need any further information.

Book Tokens

We have recently had some book tokens donated to our school from St John's College. These book tokens will be used as some of our end of term prizes and the rest to purchase some books. These were very gratefully received.

Oxford Museum Family Research

Are you a family in Oxford that visits museums? Would you like to receive a £50 voucher when you take part in our 45-minute online workshop.

We are working with a major museum in Oxford to shape the way they communicate with families. We are looking for families with children aged between 5 and 15 to take part in a fun, interactive online session sharing your views on the visuals and language currently used by a range of museums and art galleries.

Designed for the whole family, this 45-minute session invites you to shape the future of an iconic Oxford Museum, and learn a bit about how design decisions are made. Families who complete the session will receive a £50 voucher.
