Celebrating Attendance - Every day counts!

As the colder weather sets in, we know that we all become more susceptible to seasonal illnesses. While this is understandable, we really want to encourage our students to be in school as much as possible. Government guidance is clear that good attendance is key to keeping students safe, helping them to achieve their best, and building the resilience they need for the future.

To support this, next term, we are introducing a new Attendance Recognition and Reward Scheme. Each class team will nominate student(s) who have either shown excellent attendance, made clear improvements, or shown determination to attend even when not feeling 100%.

All nominees will be considered, and one will be selected each term to receive a voucher. This is our way of recognising effort, encouraging good routines, and celebrating progress together.
