Oxford University are running a relaxed drawing workshop which might be of interest to our students. The relaxed morning is designed for visitors who may benefit from a calmer environment, including those on the autism spectrum, have additional learning needs or sensory and communication difficulties.

This Relaxed Morning is taking place on Saturday 31st January and is across the Museum of Natural History and Pitt Rivers Museum. Please click here for further information and to book your place:

Communication with parents/carers

Parents/Carers may notice that communication from Iffley Academy looks slightly different from normal. We have recently transferred from Integris MIS software to Arbor. We will be using Arbor for streamlining our data, attendance and parent communication. Please contact reception if you require any further information.

Winter Coats

As the weather has been getting colder, this is a friendly reminder that students should bring a warm coat to school. Our students will be accessing our outdoor spaces as much as possible.

Adverse Weather

In view of the ongoing adverse weather forecasts, please find below information about how to find out if the school needs to close. The decision to close or partially close a school can only be made by the Head Teacher who has knowledge of the school site and will carry out a full risk assessment taking into consideration access to essential services (heating, water etc), staffing levels, transport safety and site safety.

If the Head Teacher makes the decision to close the school this information will be available on the school website <http://www.iffleyacademy.co.uk>, under latest news. Information about emergency school closures is also published on the County Council [website](#).

Parents and carers will also be emailed with an update.
