

### Family Fun Day - Saturday 27th June 2026

Our Family Fun Day is fast approaching and will take place on Saturday 27th June from 11.00 - 2.00.

This will be a ticket only event. If you are planning on attending this event please can you confirm your attendance by either phoning the school office or by email; [office@iffleyacademy.co.uk](mailto:office@iffleyacademy.co.uk). Please confirm how many of your immediate family will be attending.

Please find some further information below in preparation for the event:

- There has been a recent change in parking restrictions in Iffley and some roads that surround the school are now double yellow lines. There will be limited parking available at school so please travel via public transport if possible.
- Please be considerate of our neighbours when arriving and leaving and please do not block access if parking in the surrounding area.
- Dogs and smoking/vaping are not permitted on school site.
- Children must be supervised by a parent/carer throughout the fun day.
- Please be aware that photos will be taken during the event.
- Last year's event was extremely popular, to avoid disappointment we advise arriving at the beginning of the event.
- Tickets will be sent home to parents/carers closer to the event.

### Water Safety Advice

Oxfordshire County Council have reached out with an urgent request following recent national incidents and, regrettably, a tragic water-related death in Oxfordshire last week. The local authority have started a campaign to raise awareness of water safety, please discuss the following information with your child to try to keep everyone safe:

Spending time near water can be fun, especially in warm weather, but open water can be dangerous even if you are a strong swimmer. Rivers, lakes, canals, quarries and reservoirs can be much colder than they look, with hidden hazards and strong currents.

- Do not jump, dive or swim in open water unless it is a supervised, designated place.
- Never go near water alone - stay with friends and make sure someone knows where you are.
- Be aware that cold water shock can affect anyone, even strong swimmers, and can make it hard to breathe or move.
- Rivers, canals and lakes may have hidden dangers under the surface such as rocks, rubbish, weeds, fishing line or sudden drops.
- Do not take risks to impress others, including dares, bridge jumps or entering the water for social media content.
- If you fall in, try to stay calm, float on your back, keep your airway clear and control your breathing.
- If you see someone in trouble, call 999 or 112, shout for help, and throw something that floats. Do not go in after them.
- If possible, choose supervised swimming venues or pools instead of unsupervised open water.

Remember: Enjoy the good weather, look out for your mates, and stay safe around water.

On Tuesday 14th July we will be holding an information evening where parents and carers will have the opportunity to meet with class teachers.

## Parking outside Iffley Academy

It can be busy outside school at drop off and pick up. We politely request that parents and visitors to the school park in surrounding roads and outside school with thought and consideration for the children, other adults and the local community. Please obey the restrictions in place and do not park in an obstructive manner. When collecting students from the purple walk way please could parents/carers get out of their cars and notify the member of staff on the gate who they are here to collect and we will radio for your child. Please be mindful of moving cars when taking your child back to your car. Thank you for your cooperation and support with keeping our children safe.

## Alumni Event

On Wednesday this week we held our forth Alumni event. Students who have left us last academic year were invited back to Iffley Academy to catch up with staff and former peers.

It was lovely to find out what students and their families have been up to and what they are doing now.
