NEW DATE: Family Fun Day - Saturday 26th September 2026 11.00am - 1.00pm

It was a great disappointment that we had to cancel this years family fun day, it was not an easy decision but with the ongoing heat wave and lack of shade on site we felt that postponing the event was the safest and most responsible decision for everyone attending. The good news is that we are able to share the new rescheduled date with you which is **Saturday 26th September** and the event will run from 11.00am - 1.00pm. We hope that many of you will still be able to join us. It will also provide a wonderful opportunity for our new Headteacher, Liz Stierner, to meet families and become part of our school community.

We would also like to reassure our current Year 11 and Year 13 students that they will, of course, still be very welcome to attend the postponed event. Given these exceptional circumstances, we would still love for them to have the opportunity to celebrate with us.

Thank you for your understanding and continued support. Your tickets for the event in September will still remain, if you need another copy of these please contact reception. If you were not down to attend but are now able to make the new date please contact reception and we can arrange for some tickets to be sent home with your child.

Meet the teacher event - Tuesday 14th July 2026

On Tuesday last week students brought home a letter which contained details about your child's class teacher for September 2026.

If you would like an appointment please select three suitable times on the form attached to the letter and return to reception and we will contact you with your confirmed time for the evening. Appointments will be made on a first come first served basis and we will try our best to offer you one of your preferred time slots.

Students will attend a transition afternoon before the end of this academic year, this will give students the opportunity to speak with their new class teacher and other students who will be in the same class in September.

Changing places at Blenheim Palace

On Tuesday a small selection of students were invited to the opening of the changing facilities at Blenheim Palace where a collaborative piece of artwork named 'Evie the Brave' was successfully chosen to feature. This piece of artwork was created to remember an incredibly brave student who unfortunately passed away in August 2025. The students chosen to attend were part of this creation and were particularly close to Evie. This year Iffley Academy have also turned the artwork into keyrings and badges raising hundreds of pounds for St Helen and Douglas House, who supported Evie at the end of her life.
