High Sheriff Young Engineer Awards 2026

The High Sheriff Young Engineer Awards recognise and celebrate outstanding young people who demonstrate exceptional talent, passion, and potential within the fields of Engineering, Resistant Materials, and Design Technology. The Iffley Academy is delighted to announce that Alfie has been selected as a finalist for this prestigious award. The finals took place at Abingdon and Witney College on 29 June 2026. Alfie received a highly commended award in the Year 10 and 11 category. Alfie was nominated in recognition of his ambition, dedication, and commitment to construction as part of his personalised learning programme at RAW. While aspects of formal education can present challenges, Alfie has excelled in practical learning environments, where his enthusiasm and natural aptitude for construction have enabled him to thrive. He has developed a particular interest in carpentry and is determined to pursue a career within the industry. We are incredibly proud of Alfie's achievements and the dedication he has shown in pursuing his goals. We wish him every success and look forward to seeing what he accomplishes in the future.
