Year 11 and Year 13 Celebration Assembly - 21.06.22

A reminder that on Tuesday 21st June we have a celebration assembly for the parents and carers of our Year 11 and Year 13 students.

This assembly will start at 11.00am and take place in school at Iffley Academy.

This will be a lovely opportunity to celebrate students achievements throughout their time at Iffley Academy. We look forward to seeing you there.

Virtual Careers Interview

This week two students conducted a virtual careers interview with Gary Andrews, who is a famous animator and director.

The students had the opportunity to discuss animation and find out more about Gary's work and the online resources he uses.

Both students asked lots of questions and observed him creating drawings live! Gary is the director of Horrid Henry, Fireman Sam and has also worked for Disney.

Banksy Printing Workshop

The students in Banksy class are taking part in an Arts Award Explore project with a focus on Pitt Rivers Museum, Aboriginal cultures and printmaking. Last Friday they took part in a collagraph printing workshop where they created some lovely prints based on objects from the Pitt Rivers Museum.

Music Making in the Community Award

Some students are working towards The Music Making in the Community Award. As they have felt a loss of community during lockdown, they decided to look at how music is used in the community with different groups of people including learning difficulties, Mental health and Dementia. The group have used some of this time to watch videos from the Alzheimer's Society in order to learn about Dementia and the ageing brain. In doing so they have reflected upon their own understanding and experiences of Dementia. As part of our project we have partnered with a local Care Home to build our intergenerational project. The project involves visits, where the students and residents get to know each other and learn together through musical play, games and singing together. This week the students hosted their second visit to the care home as part of this project.

T-Shirt Design

As part of our enterprise course, sixth form has teamed up with a local small T-shirt business to enable students to design their own t-shirt and have this made for them. Packs have been delivered to class for students to create their own designs and if they would like them made into their own t-shirts then we have been given the special price of £12 for one side or £15 for both sides personalised. Sixth form students will then be part of the process of making them.

Please complete this online form and send cash addressed to the sixth form with your students details on the envelope. If you'd like a preview of the t-shirt please email n.smith@iffleyacademy.co.uk and the students will prepare that for you. [T-Shirt Order form](#)
