On Thursday 12th January we will be running our fourth parent & carer programme session which is physical computing - parent and child sessions.

In school we use Lego Spike kits to build models and code them to bring them to life. This is a chance to understand the computing curriculum at your child's school and to have a 'hands-on' opportunity to experience coding.

Please follow these links for further information on the sessions and how to book yourself onto these sessions.

If you would like to attend this session please see information on [how to book yourself](#) onto this session.
