Family Fun Day - Saturday 13th May

It has been lovely to have received so many reply slips for our family fun day, it looks as though it will be a wonderful day. The fun day will take place from 12-3 on Saturday 13th May. Entry is free for students and their families.

We have lots of exciting things planned for this day and we hope that you can join us.

Please contact reception if you require any further information about this event.

We look forward to seeing you all there.

Science Day

On Monday we celebrated Iffley Science Day! Every class at Iffley got a chance to participate in a workshop run by scientists from Science Oxford. We explored the powers of renewable energy, particularly solar energy and hydro energy through a range of activities involving water wheels and K'nex kits. Students became engineers for the day and demonstrated a range of scientific skills such as questioning, testing, inventing, measuring, observing and building all whilst developing the vital skills of teamwork. It was a joy to see our students being wonderfully creative - some engineers in the making!

Preparing for Adulthood - Family Information Service

The Preparing for Adulthood programme will provide knowledge and support to all local authorities and their partners, including families and young people, so they can ensure young people with SEN and disabilities achieve paid work, independent living, good health and community inclusion as they move into adulthood. If you would like any further information on this programme please [Click here](#).

Dental Examination

A dentist will be visiting our school on Wednesday 7th June to carry out dental examinations. If you would like your child to receive a dental examination on this day please complete the consent form on the letter which students will be bringing home today. Please [click here](#) for more information.

Lunch Menu

Please [click here](#) to view this term's lunch menu. This menu will run until the end of this academic year.

Social Media Consent

At Iffley Academy, we are always immensely proud of what our students achieve during their time with us. Whilst we take every opportunity to celebrate this within the school community, we would like to start promoting the achievements of our students and staff more widely. We have therefore decided to launch our own social media channels to share our news with the wider community. As part of this, we would like to feature photos and short videos of our students. In line with our Safeguarding Policy, we need to seek parental permission. Please [click here](#) for further information.

In the meantime please follow us on Twitter <https://twitter.com/IffleyAcademy>
