OUR VALUES

Northern House Academy

- *Understanding - We believe our students deserve an environment built on belonging and togetherness. We will achieve this by providing an affectionate and forgiving setting that is empathetic and understanding of individual needs.*

- *Nurture - Our students deserve to have their voices heard and their opinions valued. Our nurturing team will encourage all children to express themselves and help them to develop their social skills and emotional regulation.*

- *Consistency - We believe our students need whole school consistency, offering both flexibility and stability within a dynamic environment, enabling children to feel safe and happy.*

Values Construction – How can we meet their needs?

OUR VALUES

Northern House Academy

- *Happiness - We believe our students thrive in an inclusive environment for learning. Where they have opportunities to explore, play and learn in a happy, stimulating and relaxed atmosphere – both in school and in the wider world.*

- *Positivity - We believe in providing a fun, secure and nurturing environment where students can thrive and achieve. This positive culture is embedded in our core values and everyday approach and fosters a sense of inclusivity where all in the school community can feel valued.*

- *High expectations - We believe all staff should have high expectations of our children in order to empower them and give them a can-do attitude to help them realise their hopes and dreams, enabling them to fulfil their potential and be successful*
