

Introduction

The Department for Education (DfE) has stated that the PE and sport premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2022 to 2023 academic year, to encourage the development of healthy, active lifestyles.

This report documents the expenditure and impact of the PE and Sports Grant in 2021/22, before going on to details plans for the Grant in 2022/23.

Bardwell School's PE and Sports Grant for 2021/22 - Impact Report

In 2021/22 Bardwell School received £16,410 PE and Sports Grant. The table below outlines the initiatives this was spent on and the impact on pupils.

Initiative	Detail	Impact	Evidence	Sustainability	Cost
Additional allocation of staffing to Hydrotherapy Pool	Due to the changing and increasing physical needs of our primary pupils and increased class sizes we are increasing our staffing levels in the pools. The PE and Sports Grant is funding one of these key roles.	All pupils have accessed swimming during the summer term. All students have been assessed and have made progress from their starting points. School pool is maintained to a high standard following a period of closure.	Progress certificates Health and Safety audit.	The Hydrotherapy Pool remains a valuable resource available to pupils across the school. Pupils with physiotherapy programmes will access the pool weekly. We are working with Local Authorities on the associated costs for pupils to access the Hydrotherapy Pool.	£11,410
Movement, Positioning and Physical Development Lead	This role continually raises standards of PE across the whole school as well as embedding physical development throughout the whole curriculum for those with physical development needs.	Large interconnecting/linking equipment has been bought for gymnastic lessons e.g. ladders, bench, small table tops. In addition to this a mixture of balls and tactile/sensory items for multi skills in PE lessons.	PE Subject Leader reports OT and physio notes. Pupil progress evidence	This role continues to be partially funded via the PE and Sports Grant. The skills and knowledge gained across the teaching and support staff team are becoming embedded across the school.	£5,000

Bardwell School's PE and Sports Grant for 2022/23 is forecast to be £16,520.

This section outlines our plans for the PE and Sports Grant in 2022/23 and how we will measure the impact of this expenditure. At the end of the year we will reflect on progress against the expenditure and detail our plan for ensuring the measures are sustainable.

Initiative	Detail	Intended impact	Evidence	Sustainability	Cost
Introduction of PE and Sports Coach and Senior TA providing	As part of increasing the breadth and quality of PE and Sport across the school	The PE and Sports specialist coaching will increase motivation and participation in sporting activities. The increased breadth of	Session plans. SLT and Movement,	The increase skills of staff will ensure ongoing quality of PE and Sports across the school.	£14,340 (PE and Sports Grant contributi

additional sporting opportunities for students.	we are introducing a PE and Sports Coach post who will deliver lunchtime sessions to increase the breadth and quality of sports whilst also upskilling support staff across the school. A senior teaching assistant will provide additional sports coaching for all students.	opportunity will enable students to develop new skills, interests and hobbies for the future.	Positioning and Physical Development Lead monitoring reports Increased engagement in sporting activities during lunchtime play.	Whilst piloting this approach, we are reviewing our use of resources to determine if the role can become substantive in our structure.	on of £10,000)
Purchase of specialist equipment for wider breadth of activities in P.E.	Free standing basketball hoops 3 lightweight gym mats. Equipment for students with physical needs when playing outside e.g. adapted bikes, interactive equipment	New equipment will provide further opportunities for all students to actively engage in sport and will increase the quality of education in this area.	Lesson Plans Pupil progress records on Multi Me. Positioning and Physical Development Lead monitoring reports	Resources appropriate for the range of needs within the school. - Students moving to The Lodge need age appropriate adapted equipment. - New students in early years need adapted equipment.	£1,520
Movement, Positioning and Physical Development Lead	This role continually raises standards of PE across the whole school as well as embedding physical development throughout the whole curriculum for those with physical development needs.	Further embedding our excellence in this area, this role has three core focuses for 2022/23, which continue from 2021/22: - Inclusion of pupils with physical needs - Staff expertise and skills when providing physical support for students - Teachers understanding of progression of skills and abilities within sports	PE Subject Leader Reports	The systems and approaches established and enhanced will provide a solid foundation for future learning and development.	£5,000

It is important to note that the above are just two initiatives across the whole school that relate to prioritising our pupils' physical development and participation in sport.

The Movement, Positioning and Physical Development Lead underpins a significant culture across the school focused on maximising physical development in all aspects of the school day, both for those with physical difficulties and those looking to develop and excel at sports.
