School Uniform Policy

We promote the wearing of a uniform because it helps to create an identity of belonging and value at the academy. It is an important part of being a student at Orion, and supports our goals for equality.

Wearing the academy badge enables students to feel proud to be a member of Orion Academy, and prepares students for the world of work.

However, we also recognise that in order to promote attendance and to meet the SEND needs of our students, it is sometimes necessary to make reasonable adjustments to the uniform policy.

We encourage students to wear the following items, but take a reasonable adjustment approach at all times.

- Black school trousers / plain tracksuit bottoms (no jeans, or shorts) / black skirt / black shorts: these can be purchased from any retailer, including secondhand retailers - worn throughout the school year
- Plain grey polo shirt: worn throughout the school year - Orion Academy logo optional
- Burgundy sweatshirt: worn throughout the school year - Orion Academy logo optional
- Plain black school style shoes or plain black trainers: these can be purchased from any retailer, including secondhand retailers, worn throughout the school year
- Clothing for PE is in line with the above

The wearing of clothing that has large logos and / or with inappropriate or offensive statements or pictures (however interpreted) cannot be worn in school.

Uniform can be purchased in school and online www.pmgschoolwear.co.uk

Secondhand uniform is available from the school office. To enquire please call: 01865 771703 for an order form.

If you have any queries, please do not hesitate to get in contact with the school.
