

Spring 2 - 2025/2026

Carle Class

Dear Parents and Carers,

Welcome back! I hope you all had a wonderful break and are ready for an exciting term ahead. I'm thrilled to welcome the children back to Carle Class, and we have lots of fun and engaging learning planned for the weeks ahead.

This term, our value is **Consistency**, and our topic is **Amazing Animals!** We'll be exploring all kinds of animals, their habitats, how they live, and even their food chains. Our learning will cover English, Maths, Science, PSHE, Computing, Geography, and Music, with plenty of opportunities for hands-on activities, creativity, and discovery.

Here's a few key reminders:

- **PE** will be on **Tuesdays**, so please ensure children come dressed appropriately.
- **PPA** is also on **Tuesdays**. This term, my PPA sessions will be covered by **Mr Heap and Mrs Holmes**.
- Our amazing teaching assistants this term are **Mr Mulvany and Mrs Turner**, who will be supporting our learning and helping the children throughout the week.

We'll be starting the term with English books such as *Rumble in the Jungle*, *Monkey Puzzle*, and *Commotion in the Ocean*, and exploring creative writing and poetry. In Science, we'll investigate animals including humans, their structures, and their habitats. Geography will take us on a journey around the world to discover animals in Africa, Antarctica, Australia, and South America. Computing, Music, and PSHE lessons will complement our learning with fun, practical, and reflective activities.

I'm looking forward to another fantastic term with Carle Class, full of curiosity, learning, and creativity. Please feel free to get in touch if you have any questions or need any support.

Thank you for your continued support, and here's to a brilliant term ahead!

Best wishes,
George Hanley
