

Spring 2 - 2025/2026

Dear Parents/ Carers,

Welcome back everyone! We hope you all had a lovely and restful half-term break.

As we return this term, we are excited to dive into the awesome world of Scandinavia, which will be our topic for the term. Throughout the coming weeks, the children will be inspired by Scandinavian cuisine during our **cooking** sessions, explore the **Geography** of the different countries and regions collectively known as Scandinavia, and develop a deeper understanding of this fascinating part of the world.

In **English**, we will be immersing ourselves in the famous epic ballad *Beowulf*. Building on the creative writing completed last term, the children will focus on developing rich and descriptive setting writing inspired by the story.

Our **Science** lessons will be full of excitement as we explore the topic of forces, with lots of hands-on experiments planned.

As a class, we will also be heading over to St. Edwards every Tuesday afternoon to engage in structured play sessions.

Our PE day will now be a Friday led by Mr. Heap and supported by our Mr Lumsdon and Miss Jacobs. It would be great to see as many of the class as possible bringing in suitable PE kit for these sessions.

Haring Class Update:

I shared with the children last term the exciting news that myself and (the other) Mrs Beaumont are expecting a baby. The children have been so excited and have taken great care of me this last term as well as giving me lots of name suggestions! I am planning to begin my maternity leave after Easter which will make this coming term my last with the lovely Haring class. I will be popping back in and I am planning to come and see the year 6's for their end of year assembly. Our Haring class team are committed to providing consistency and continuity during this transitional period. I will be working with Mrs Hiner who will be taking over the daily running of the class and Mr Jeffries will be joining us for some parts of the week this term as he will also be supporting the smooth running of Haring Class After Easter!

Thank you for your continued support, we are looking forward to another brilliant term together!

Any questions or concerns please do get in touch,

Abi Beaumont and the rest of Haring Class Team
