

BARDWELL SCHOOL | WEEKLY NEWSLETTER

7th February 2025

Staff Spotlight- ANNIE

Elder Class teacher

What a wonderful week it has been at Bardwell! Our students have been actively engaged in collaborative learning, working together to build skills, share ideas, and support one another. There has been lots of teamwork, communication, and problem-solving skills in action across various activities, including going out on our bus, solving Mathematical problems and Lodge students working on crossing the road and using a bus stop.

Today we welcomed colleagues from the Maths Hub and from other Trust schools, to work collaboratively on a shared vision for Maths. They commented on what a calm, warm and welcoming school we have, and it was a pleasure to show them around our school.

Wishing you a lovely weekend.

Jo, Jade, Hayley & Karen

What does your day look like?

Every day is different and exciting. I plan and teach a wide range of lessons for Elder Class, making sure that all the children are engaged, happy and learning lots of interesting things.

What are your hobbies or interests?

I like spending time with my family. We like going for walks and watching football. My family is very musical, so we often go to concerts and listen to music.

Student question: Why did Elder Class start collecting food waste?

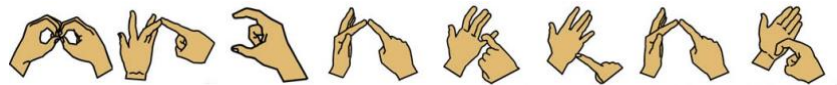

We wanted to make the whole school more aware of recycling and also to ensure we were being as eco-friendly as possible.

Blossom Room

We have refreshed a space within the school, turning the Pod into the 'Blossom Room'. There are lots of different activities set up in the Blossom Room, and it has been great to see our pupils trying these out throughout the day.

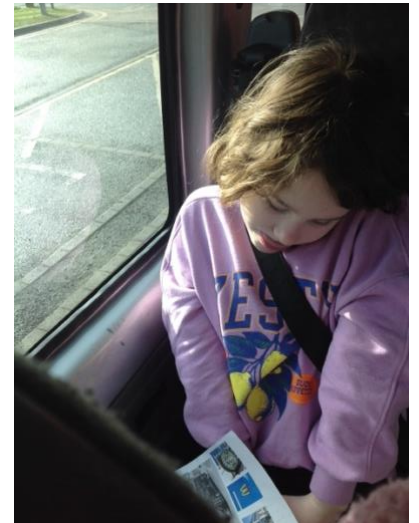

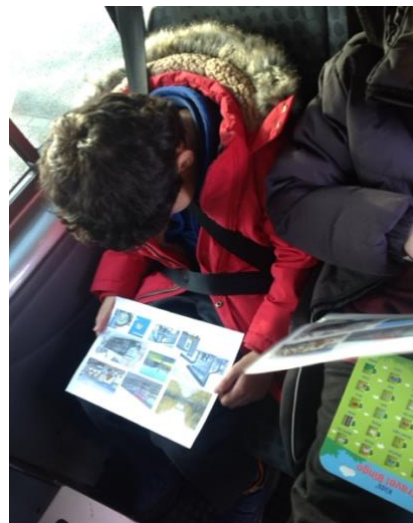

Chestnut Class

Chestnut Class have had a great week!

The theme this week was Bicester and the local area. For their Geography lesson, the class travelled around Bicester on the Bardwell Bus. Throughout the journey, they were looking out for various shops, cafés, crossings, parks and much more.
