What does your day look like?

No two days are the same, they are exciting! My favourite part is going around to the classes and seeing everyone. I enjoy being on the door and the gate. I like to welcome everyone into school and see all the parents.

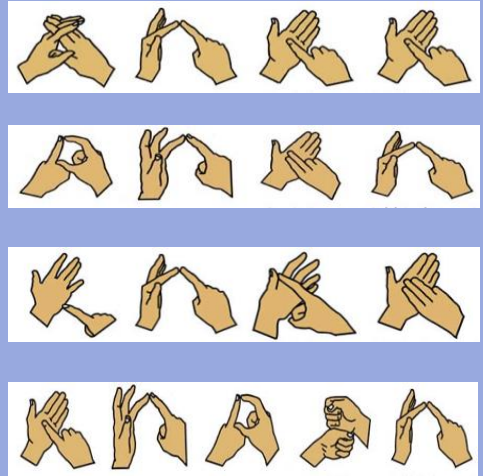

I like walking around the school and seeing all the amazing lessons!

What are your hobbies or interests?

My hobbies are park runs, walking my dog and being with my family. I enjoy watching Netflix and having meals with my family.

TEAM LODGE

This term the Oak Lodge students have been brainstorming ideas on how they can be good citizens within our local community. On Thursday they decided to do some litter picking outside Bambooh Day Nursery. Later that day, the owner came to Bardwell to thank them for their efforts and gave them a big bag of sweet treats to say thank you. Well done Team Lodge!

We had a great session with the Youth Activators on Thursday. They came to Bardwell and did a dodgeball session with Chestnut Class, Elder Class and Pine Class. Everyone had a great time!
