It's been a great (and busy!) week at Bardwell. With the hot weather continuing, please do keep sending in sunhats and water bottles to help pupils stay cool and comfortable. Some of our Key Stage 4 girls have continued their fantastic work with FarmAbility this week - developing confidence, independence and self-regulation through meaningful outdoor learning and animal care.

## Celebrating Our Open Afternoon

This week, we were delighted to welcome families into school for our Open Afternoon – a wonderful opportunity to share a glimpse into daily life at Bardwell. Classrooms were full of connection, curiosity and joy as students proudly showed their learning.

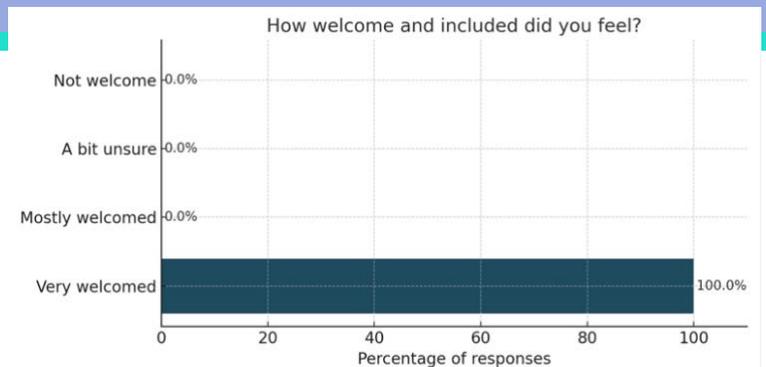

Parents and carers commented on the calm and inclusive environment, with one sharing how special it was to see their child “so happy and content”. Others spoke warmly about the “lovely atmosphere in class” and how much they appreciated “seeing the kids interact together”. These moments of shared experience reflect what we value most at Bardwell – a sense of belonging, strong relationships and individual growth.

We know that not everyone could make it this time, and we’ll be holding more open events to ensure everyone has the chance to be part of these special moments. Thank you to all who joined us – your questions and kind words mean so much to all of us. We look forward to welcoming those of you can attend next time!
