Bardwell School
Together We Thrive

19th September 2025

Transition into new classes has gone smoothly for students and has brought a sense of excitement to the school. They are adjusting well to new adults and peers and have enjoyed a variety of exciting activities. Relationships are beginning to form with both teachers and classmates, helping create a supportive and welcoming environment ready for the new term in September. We're now heading into the final stretch of the school year, and we're looking forward to a busy but productive term – with plenty of opportunities for celebration.

Thank you as always for your continued support.
