Attendance Procedures Flowchart

At BGA our aim is to provide our students with an enriching curriculum which provides the greatest opportunities to develop skills for life and support their preparation into adulthood. To enable us to do this students need to attend regularly and on time, they should be at the academy, every day that we are open unless the reason for the absence is unavoidable. Our goal is that all students achieve a minimum attendance of 95% in order for them to have best chances of fulfilling their potential

Parents and carers have a legal responsibility to ensure that their child attends regularly . The academy will help families to understand why their child’s attendance is important, what their individual attendance looks like and the actions and support available from the academy if attendance should decline

If a student’s attendance falls below 95%, the academy will begin a process of action and support for families. The academy use the following approach:
